

The Sullivan Striders Club
Presents its 7th Annual
8K Run and 5K Walk

Dear Friends,

The Sullivan Striders, a non-profit local running and walking club, is staging our Falling Colors fund raising run and walk. In past years this community event has become known as one of the best local races in the area. As in the last six years, the proceeds will benefit the Sullivan Striders Track & Field Scholarship program. This past summer we presented six young graduates scholarships totaling together \$2600. These graduates were chosen based on a number of different criteria, are Sullivan County residences from Sullivan County high schools and participated on their schools' cross country and/or indoor/outdoor track team.

To date we have now given awards to 25 deserving students from this area. We hope to be able to reward even more high school graduates with the proceeds from this year's event. The Sullivan Striders believe in supporting our children's running careers as well as their educations and you can help to keep this important scholarship program active by being a sponsor to our 8K Run and 5K Walk being held on November 3, 2007. One way for us to achieve our scholarship goals is to ask you, our friends, our family and business acquaintances to support this race by becoming a sponsor. We greatly appreciate any contribution or donations in kind that you are able to provide to us.

The sponsorship categories are as follows:
